

Purim Carnival Food Purchase Report

The food for the Purim Carnival was purchased 4 days before the event due to Bob Steinfeld's need to go out of town. For future events this is about 2 days too early to buy the food. It is best to buy the food the day before the event.

For next year set up time needs to be later. Maybe 10:45 or 11AM. Alos we need food warmers to keep cooked food warm

The following is the list of items purchased:
