

ECC Play Yard Renovation

The Men's Club Board has been working with the Temple to help to renovate the ECC play yard. It is more than 10 years old and in need of some equipment replacement, renovation and tender loving care. The Men's Club is providing a \$4000 donation to purchase some new equipment. We are also asking our membership (and the general Temple membership and ECC Staff) if you can to participate in a work day December 17, 2023 weather permitting from 9:30 am to noon in the ECC play yard. We will be doing some installation of: equipment, landing areas, new curbs, and some raking and sweeping of sand, shoveling, and general maintenance that day. If you can bring rakes, shovels or brooms with you that day, that will help. If you can participate, please let Rich Pickard know by emailing richpickard27@gmail.com with the fact that you can participate and what equipment you can bring. We hope to see you there.
