

Date: Men's Club membership dinner was held on November 16, 2023, 6:00 PM until 9:00 PM

Location: Shir Hadash: Oneg Room

Number of attendees: 31

Caterer: Buca di Beppo

Lessons Learned: Probably our best run and managed Membership Dinner in a few years. Catered food was delivered early and put into the kitchen in the oven (meat and spaghetti) or on the grill top (bread). After 15 minutes of smoozing by attendees, President gave a welcoming talk for 10 minutes while all the food was put out. Then attendees were asked to form a line for dinner. Diego put out all the food but Men's Club was prepared to do this if Diego wasn't available.

Expenses: (see separate email for itemized items

1. Catered Food:	\$835.76.
2. Drinks and Dessert: four bottles of soda, two bottles of wine, 1 6-pack of beer, three packages of nondairy cookies:	\$75.83
3. Gratuity: For Diego to set up, etc.:	\$100.00

Entertainment: Movie documentary: "Jewish America and baseball"

Actions:

Two months prior to the event:

Contact the event coordinator, Jennifer, to secure a date, make sure it does not conflict with other temple events. Decide on the menu and drinks and catering service. Establish who is in charge of the entertainment and or a movie. Since we cannot mix dairy and meat product, it was decided to use all non-dairy products (so no Tiramisu for dessert).

One month prior to the event:

Contact the events coordinator, Jennifer, to discuss the set up of the room, including tables, projector for the movie, how many attendees, etc. design and send out the initial flyer to all Men's Club members with an RSVP date. (send a separate email with the flyer).

One week prior to the event:

Contact the catering company, and let them know how much food we will need to order, including non-dairy products (no parm cheese and garlic bread made with olive oil). Send out a reminder flyer with information to all Men's Club members with final RSVP

date. Contact the event coordinator to let them know how many attendees and what kind of set up for the food is required. Contact the person in charge of the movie to check to see that everything is set up with the projection equipment, etc.

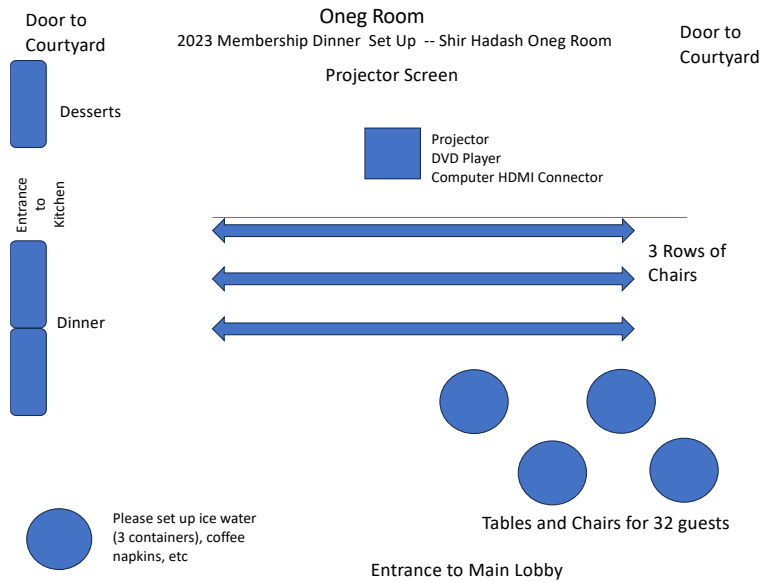

Day of the event:

Make sure the room is set up. Make sure the projection system is working properly. Bring name tags for the attendees and guests. Make sure there is temple personnel to help set up and clean the room.

Marshall Heller, Chairman, Shir Hadash, Men's Club membership committee

See attached back up information on Oneg Room set up, attendance list, food purchase, etc. Current President has editable copy of all attachments below.
